

YouthOTTAWA

Technical Know-how & Skills

Experiential Learning Intervention

Wrap-around support and connections to next step opportunities

YAM PROGRAM

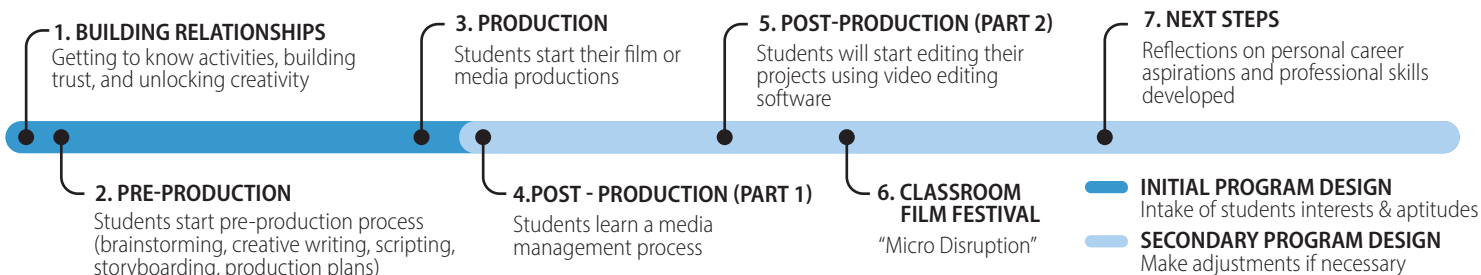

OVERVIEW

As technology continues to play a bigger role in our lives and more of our daily experiences move online; Students increasingly need to leverage and develop their creativity, upgrade their skills and knowledge in media production, understand responsible use of social media, and expand on the methods and venues available to have their messages heard.

TESTIMONIAL

"I am so glad to have the opportunity to give back to the community by providing these youth with the opportunities that they wouldn't have otherwise."

- BEN BERGERON
YOUTH ACTIVE MEDIA FACILITATOR

OUTCOMES

- > Students will develop, design, produce and showcase a film or media project.
- > Students will learn about storytelling and put it in action.
- > Students will have the opportunity to learn new technology software, techniques and skills.
- > Program graduates learn about and access next step pathways & opportunities.
